Your child has been scheduled for a food challenge on _____. Please bring the items listed below to the challenge visit.

Patients need to arrive at the scheduled office no later than 8:00 A.M. Please plan accordingly for morning traffic in order to arrive on time. Due to the length of time required for a Food Challenge, if you are more than 15 minutes late the appointment will need to be rescheduled.

Please read all instructions below thoroughly.

NOTE: We require a signed copy of this letter returned no later than 1 week prior to the above date. If we have not received a copy of the signed letter back by that time, we will unfortunately have to CANCEL your/your child's food challenge for the above date.

Mini Food Challenges last approximately 2-3 hours, but can extend longer if additional observation time is needed. During the 1st hour, the Mini Food Challenge is performed. Once the challenge is completed, the patient will be able to eat a snack that is brought from home. The remaining time is for observation. The patient must **remain in the office the entire length of the Mini Food Challenge and observation period**. If the patient is a minor (under 18 years of age) a parent/legal guardian must remain with the patient the entire time.

Prior to the Food Challenge

- At any time in the event of an accidental exposure to the food being challenged to, please contact a member of our nursing staff at (609) 921-2202.
- 2 Weeks Prior to Food Challenge – If the patient is ill **1-2 weeks** prior to the Food Challenge; **rashes, fever, wheezing/breathing issues, started antibiotics** or any **new medication**, please contact our nursing staff to see if the Food Challenge can still be performed at 609-921-2202.
- 2 weeks prior to the Food Challenge, purchase or plan where to purchase your challenge food, as not all stores carry the required food. You will find the complete challenge food list on our website: www.princetonallergy.com -Patient Resources Tab-Forms-Food Challenge Information for the complete list of testing items.
- Five Days Prior to test date – **STOP ALL ANTIHISTAMINES AND MEDICATIONS CONTAINING ANTIHISTAMINES**. (Examples are: Allegra, Claritin, Zyrtec, Benadryl, combination cough/cold medications). You can find our avoidance list on our website: www.princetonallergy.com Patient Resource Tab-Forms-Medication avoidance list for Skin Testing.

The morning of the Food Challenge:

- The patient should not eat anything **two** hours prior to the Food Challenge
- It is important that the physician and nursing staff have both the parent and patient’s undivided attention during the Food Challenge. Please arrange for the care of other children so we can provide the patient the individualized attention that a Food Challenge requires.
- Adults please do not bring any food for yourself to consume that you child is allergic to.

Please bring the following items with you to the Food Challenge:

- 1) **Bring required Challenge Food**
- 2) A change of clothing for the patient
- 3) EpiPen (Please check the expiration date. If your EpiPen has expired contact our office for a new prescription). If a current in date EpiPen is not present, the challenge will be canceled
- 4) Bring a snack/lunch that the patient has eaten without incident in the past. Do not bring any new or different brand items.
- 5) Books, games, toys, etc to stay occupied during the visit.

After the Food Challenge:

- Patient should stay home and be monitored by a responsible adult.
- No new or restaurant food
- No further Food Challenge food
- Minimize strenuous activity
- Call if any problems arise later in the day
 - 609-921-2202. If after office hours, please contact physician on call by calling same number and following instructions for physician on call.

We are happy to provide notes for school or sports since this is an excused absence for a medical procedure.

If you have any questions about your Food Challenge, please contact our Food Challenge Scheduler at (609) 921-2202 x3393

Please note:

You will be required to pay the specialist copay for this visit.

Food Challenges require a significant amount of physician time and staffing. We request notification of cancellation one-week in advance, less than 1 week notification will result in a \$200.00 fee.
