What to bring to first appointment

- Insurance Card and Copay
- If a referral is required, please contact your Primary Care Physician. Some insurances prohibit us from seeing the patient without a referral.
- Photo ID of Patient (if patient is under 18, bring parent photo ID)
- Completed New Patient forms from “forms” section of the website
- If appointment is for rash (dermatitis) or hives, please complete corresponding form from “forms” section of the website
- Any related allergy testing, lab results, CT Scan or X-ray results and other related medical records.
- List of current medications, including “over the counter”.
- If appointment is for food allergy, bring food log with ingredient information and corresponding symptoms.
