Patient Instructions and Information for BEFORE a Food Challenge

Date of Food Challenge: _____ Arrival Time: _____

Patients need to arrive at the Skillman Office **10 minutes** prior to your scheduled appointment time. Please plan accordingly for traffic in order to arrive on time. Due to the length of time required for a Food Challenge, if you are more than **15 minutes** late (of the arrival time) the appointment will need to be rescheduled. Please make every effort to arrive on time.

Bring the following food(s) to the challenge: _____

Please read all instructions below thoroughly.

*****NOTE: We require a signed copy of this letter returned no later than 1 week prior to the scheduled appointment date. If we have not received a copy of the signed letter back by that time, we will unfortunately have to CANCEL the food challenge appointment.**

Food Challenges last approximately 4 hours. During the 1st 60-90 minutes, the Food Challenge is performed. Once the Challenge is completed, the patient will be able to eat a snack that is brought in from home. The remaining time is for observation. The patient must **remain in the office the entire length of the Food Challenge and observation period**. If the patient is a minor (under 18 years of age) a parent/legal guardian must remain with the patient the entire time.

Prior to the Food Challenge

- At any time, in the event of an accidental exposure to the food being challenged, please contact a member of our nursing staff at (609) 921-2202.
- 2 Weeks Prior to Food Challenge – If the patient is ill within the **2 weeks** prior to the Food Challenge; **rashes, fever, wheezing/breathing issues, started antibiotics** or any **new medication**, please contact our nursing staff to see if the Food Challenge can still be performed at 609-921-2202.
- If you or anyone in your home, within the 2 weeks prior to the Food Challenge, has had cold or flu symptoms, or had any COVID19 exposures or COVID19 tests, please let us know immediately.
- 2 weeks prior to the Food Challenge, purchase or plan where to purchase your challenge food, as not all stores carry the required food.
- Five Days Prior to test date – **STOP ALL ANTIHISTAMINES AND MEDICATIONS CONTAINING ANTIHISTAMINES**. (Examples are: Allegra, Claritin, Zyrtec, Benadryl, combination cough/cold medications). You can find our avoidance list on our website: www.princetonallergy.com (Patient Resource Tab-Forms-Medication avoidance list for Skin Testing.)

The morning of the Food Challenge:

- The patient should not eat anything for **two** hours prior to the Food Challenge
- It is important that the physician and nursing staff have both the parent and patient's undivided attention during the Food Challenge. Please arrange for the care of other children so we can provide the patient the individualized attention that a Food Challenge requires.
- Adults, please do not bring any food for yourself to consume that your child is allergic to.
- Only one adult will be allowed at the Food Challenge with a minor.
- If the patient is 18 years or older, they will be the **ONLY ONE** allowed in the exam room area. A parent or other companion may wait in the waiting room out front.

Please bring the following items with you to the Food Challenge:

- 1) **Bring required Challenge Food**
- 2) A change of clothing for the patient
- 3) EpiPen (Please check the expiration date. If your EpiPen has expired contact our office for a new prescription). If a current in-date EpiPen is not present, the challenge will be canceled
- 4) Bring a snack/lunch that the patient has eaten without incident in the past. Do not bring any new or different brand items.
- 5) Books, games, toys, etc. to stay occupied during the visit.

After the Food Challenge:

- Patient should stay home and be monitored by a responsible adult for the remainder of the day. They should not plan on going to school, extracurricular activities or sports until the next day.
- No new or restaurant food
- No further Food Challenge food
- Minimize strenuous activity
- Call if any problems arise later in the day
 - 609-921-2202. If after office hours, please contact physician on call by calling same number and following instructions for physician on call.

We are happy to provide notes for school or sports since this is an excused absence for a medical procedure.

If you have any questions about your Food Challenge, please call (609) 921-2202 and ask for your physician's nurse.

Please note:

You will be required to pay the specialist copay for this visit.

Food Challenges require a significant amount of physician time and staffing. Please check your schedule and if needed, your child's schedule. We request notification of cancellation one-week in advance. Less than 1 week notification will result in a \$200.00 fee.
